SPORTS ASSOCIATION**

A Souvenir Programme
of the 1991 B.B.T.S.A.
Finals at the
Mountbatten Centre
Portsmouth

Price: One Pound (£1.00)

A MESSAGE FROM THE CHAIRMAN

Dear Members and Friends,

Here we are once again at our National individual finals. Well done to everyone who has worked so hard to be here. I am sure you will have an enjoyable few days. Also, I am delighted to introduce you to this new souvenir programme. It is a new innovation and if successful will lead to another issue for the team finals at Yarmouth and possibly for all our future major competitions. There may also be a magazine published at certain times during the year, such as at Christmas. We will need material from you all to make it as full as possible. May I on your behalf thank all the people who have worked hard to produce this first issue. I would also like to thank everyone who works so hard to make this association so enjoyable to belong to.

Frank South

COMPETITION ROUND UP

Hi, I am Audrey O'Neill National Competition Officer, elected to this position 9/10 years ago, taking over from Bill Simms who wanted a rest (Ha Ha).

I was Competition Officer for Region 2 (Essex) from the day we regionalised the Association in 1975 till taking up the National Post.

1991 will be a first in our Association on several counts. At our National Individuals in solo, beginners are being introduced. A new strut is to be demonstrated which might or might not be accepted for the future. Teams, Troupes and Mace are to be allowed direct entry into the National Championships in October. The programme for this Championship cannot be set until we see the entries which must be with us by 1st August 1991.

The World Championships will be held in Padova, Italy on 2nd 3rd & 4th August 1991. The selection for the England Team took place in Wakefield, Yorkshire, over the Easter week-end on March 31st. The girls taking part in the individual selection were - JUNIORS: Joanne Marsh · Kirsty Webb · Jamie Ping · Georgina Turner · Kelly Marie Inwood. SENIORS: Lynsey Butler · Louise Dearden · Rachel Hayes · Zoe Gillis · Ann Felton · Karen Beattie · Caroline Ford · Ann Marie Nicol.

Those selected were JUNIORS: Jamie Ping · Kelly Marie Inwood · Joanne Marsh · Kirsty Webb (reserve). SENIORS: Rachel Hayes · Lynsey Butler · Karen Beattie · Ann Felton (reserve).

The Teams taking part for selection were Yorkshire Rose and Thurrock Bellettes. Yorkshire Rose were selected, we wish them all the best of luck.

At the National Troupe Championships at Great Yarmouth in October 1990 the following were selected to enter the European cup of club championships in Turin Italy on 6th & 7th July 1991

DAVID COLE

Who would have thought in 1978 that the skinny little kid who started out as a soldier with the Wellingborough Royals and was soon introduced to Twirling, would one day become a European Champion.

In 1979 David performed in his first Nationals and gained an amazing first place, and although he was to go on to even bigger and better things, he was never beaten nationally in men's solo competition.

In 1981 he entered his first world championships and was up against men of twice his size, and nearly twice his age, such as Michael Cruze of U.S.A. During 1982 David competed in the Europeans at Crystal Palace in front of his home crowd, and performed creditably, gaining more competitive experience. An eventful year followed. During 1983 David came third in the European Championship in Holland, and looked forward to competing in the world event in Italy. One week before the competition, he went on a family outing to Hunstanton and broke a toe playing football, but undeterred he went out to compete on the floor, and made a big impact, wearing one size four and one size six plimsoll.

1984 was perhaps David's finest year. He went to Italy to compete in the European Championships and won the coveted first place at the age of fourteen. The cup with which he was presented, meant a great deal to him. Only whilst on the way home, with his trophy still clutched to him, did he realise that he had left his uniforms hanging in the hotel wardrobe. They were never to be seen again, and David's memory wasn't to improve either. The famous Cole memory, known well to those closest to David, appeared again during an area competition. Whilst sitting watching other competitors, David calmly announced to his followers, "I've left all my uniforms at home". Panic ensued all around him, most of the competitors he knew were females, and he could hardly borrow a leotard. Help however, was at hand. An employee of the sports centre, about David's size, was volunteered, and David took the floor in borrowed tracksuit bottoms and t-shirt. Needless to say his performance was not in the slightest impaired.

David Cole went on to represent England in nearly all European and World Championships, missing only two, always distinguishing himself, and making many friends within the sport worldwide, and many admirers of his dedication and athleticism.

He last competed for England at the European Championships in Scotland in 1988, narrowly missing a medal place, but this had been his best year ever nationally, as he gained first place in every section for which he entered, solo, dance, duo and trio, and like all good athletes, David knew when enough was enough, and retired from competition whilst at the very top.

These days, David travels the length and breadth of Britain, teaching and judging, striving to bring out in other young athletes the excellence and dedication of performance he himself was able to achieve.

EUROPEAN CHAMPIONSHIPS 10th - 11th - 12th JULY 1992

For the first time in almost ten years the BBTSA is to host the European Championships in July 1992.

The venue chosen for one of the most prestigious events in Baton Twirling is "Ponds Forge", which is in Sheffield, South Yorkshire. This is a brand new sports complex, currently nearing completion. "Ponds Forge" is right in the centre of Sheffield and has been commissioned for the 1991 World Student Games. Primarily the site for the swimming events, with a 50 metre olympic pool, and diving pool. The site also contains an 1800 seater sports hall which will take many of the indoor events, and will be the stage for our own Championships in 1992.

We hope to be accomodating our visitors from the other parts of Europe and our own team and supporters in an olympic style village at one of the Polytechnics halls of residence. This will create our own TWIRLING VILLAGE, with ample accomodation available. Those wishing to support our team will be able to stay on campus, if they so desire.

A lot of hard work is still to be done to make the 1992 European Championships a huge success. This will go a long way towards putting the sport of Baton Twirling firmly on the map, and towards establishing the BBTSA, as one of the leading exponents of the sport in Europe.

Having finished third overall in the 1990 European, and with strong representation in the 1991 Cup of Clubs, the stage is set for an all-out assault on the big two in Europe - France and Italy.

PUT THESE DATES IN YOUR DIARY:- 10th - 11th - 12th JULY 1992
Let's see and hear you supporting the England team at Sheffield's "Ponds Forge" complex.

DESIGN COMPETITION

For the 1992 European Championships, we will need our own "SLOGO" to be printed on tee shirts, programmes, posters and so on. This should be eye-catching, while remaining fairly simple to reproduce, and should have some relevance to the event and venue. We would like your help in designing our "SLOGO" and are offering a prize of:- Shell Suit and pair of tickets for the 1992 European Championships, for the best design submitted.

Please send your entry to:- Chris Wright - 6 Laxfield Road - Sutton - Norwich NR12 9QP

Marking the envelope "1992 SLOGO", remember to include your name and address (but do not write this on your entry).

Closing date for entries is 30th June 1991. Please note that all entries submitted become the property of the BBTSA, and that while the aim is to find a suitable slogo for use, we do not guarantee to use the winning entry.

CAMP 91

Unemployment, the Gulf crisis and high interest rates are a worry to most people at the moment. Will we be able to afford a holiday this year? we ask ourselves. The association festival week in Norfolk in October could be the answer. The week not only comprises of competitions and training opportunities but also many fun events during the daytime and evening. If you approach the week as a holiday, coupled with the sport you love to watch and be involved in, you can have a really great time. Your enthusiasm creates other enthusiasm among camp staff and the professional entertainers and we have the advantage over other holidays in that we choose the events, entertainment and times to suit our campers. It is up to you to take part in these events. Your only worry is will we have enough time to enjoy everything, so come on, make up your mind to come and lets make this years camp the best ever.

AMONG THE MANY EVENTS ARE
